RE: API Spec 2W Licensing Information Form changes

Please be advised that the **API Spec 2W Licensing Information Form** has been updated to include additional product grades as follows:

Changes to the API Spec 2W Licensing Information Form include:
- Grade 70 Steel Plate
- Grade 80 Steel Plate

Clients interested in adding the new product grades can fill out and submit the API Spec 2W Licensing Information to: certification@api.org.

The form can be found on the API website at: API Monogram & APIQR: Resources.

 A copy of this notification can be found on the API website at: API Monogram/APIQR: Program & Spec Updates.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the API Monogram Web Store.

For any questions or concerns regarding the document, please contact us at certification@api.org .

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can Power Past Impossible!

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
