RE: API Specification 14A, Twelfth Edition

Please be advised that the **Twelfth Edition of API Specification 14A**, *Subsurface Safety Valve Equipment*, has been published.

- The Date of Issue of this Edition is **January, 2015**
- The Effective Date of this Edition is **January 15, 2016**

Please note that this document requires your review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed prior to the specification's effective date and your next scheduled audit.

In order to assist you with the implementation of any new requirements, please click on the following link to purchase the new specification:
