SUBJECT: 4th edition of API Specification 15HR

Please be advised that **API Specification 15HR**, *High-pressure Fiberglass Line Pipe,* Fourth Edition, February 2016, has been published and should be kept with your copies of API Spec 15HR. Please note that this document requires your review and attention.

   • The **Date of Issue** of this Edition is **February 2016**

   • The **Effective Date** of this Edition is **August 1, 2016**

Your facility/facilities should ensure that all revisions are incorporated into your quality management system (QMS) and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities.

These actions should be completed prior to the specification's Effective Date and your next scheduled audit.

To purchase the current copy of the specification or any other API publications please visit our website at: http://www.techstreet.com/api.

Thank you for your continued dedication and support in maintaining the highest quality and production standards throughout the oil and gas industry.

Sincerely,

CHRISTOPHER J. KINNAN
