RE: API Specification 20F, Second Edition

Please be advised that the **2nd Edition of API Specification 20F**, *Corrosion-resistant Bolting for Use in the Petroleum and Natural Gas Industries*, has been published.

- **The Effective Date of this Edition is November 1, 2018**

Please note that this document requires your immediate review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the API Monogram Web Store.

A copy of this notification can be found at: API Monogram/APIQR: Program & Spec Updates.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can Power Past Impossible!

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
