RE: API Specification 5B, 16th Edition, Errata 1

Please be advised that **Errata 1** for the **16th Edition of API Specification 5B,** *Threading, Gauging, and Inspection of Casing, Tubing, and Line Pipe Threads*, has been published.

The authorized Errata 1 document, along with a copy of this notification, can be found at:
[API Monogram/APIQR: Program & Spec Updates](#).

Please note that this document requires your attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and the subsequent audit.

- The effective date for the 16th edition of API Spec 5B is January 1, 2019

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Monogram Web Store](#).

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Together, we can [Power Past Impossible](#)!

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
