RE: Withdrawal of API Monogram Guest Host Licenses

Please be advised that effective August 15, 2013, all API Monogram Guest Host Licenses have been withdrawn.

As such, the API Monogram and Guest Host License number may not be applied to any products manufactured after August 14, 2013.

Note: It is the responsibility of BOTH the Guest and Host Facilities to ensure that all previously issued certificates are returned immediately to API and that they are no longer displayed within the facilities. In addition, copies of these certificates should no longer be utilized in any manner along with contracts, billing or tenders. Verification of these activities will be performed at the next audit of the facilities.

We thank you for your continued interest and support.
