RE: API Specification 5B, 16th Edition Addendum 3

Please be advised that the **Addendum 3** for the **16th Edition** of **API Specification 5B**, *Threading, Gauging, and Inspection of Casing, Tubing, and Line Pipe Threads,* has been published.

- The Monogram Program Effective Date of this Addendum is August 1st, 2021

Please note that this document requires your immediate review and attention. Your facility should ensure that all addendums are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the addendum's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) against which the organizations are licensed or seeking licensure. Current API publications may be purchased from the API Monogram Web Store.

This notification and other product updates, as well as Errata for Monogram specifications, are available at Monogram Program/APIQR & Spec Updates.

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Director, Monogram Program/APIQR
