RE: API Specification Q1, 10th Edition Errata 1

Please be advised that **Errata 1** for **API Specification Q1** 10th Edition, *Quality Management System Requirements for Organizations Providing Products for the Petroleum and Natural Gas Industry*, has been published.

- This Errata is effective immediately.

Please note that this document requires your immediate review and attention. Your facility should ensure that all errata are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the new edition's effective date.

Registered and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Specification(s) for which it is registered or seeking registration. Current API publications may be purchased from the www.apiwebstore.org.

This notification is available at API Monogram & APIQR: Latest Updates.

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the APIQR Program and your dedication to quality.

Sincerely,

Kevin Ferrick
