

MORE VIRGINIA JOBS ARE ON THE HORIZON

Responsible offshore oil and natural gas development creates jobs.

Offshore energy development is safer than ever with new technologies, enhanced spill prevention, and a focus on containment and response.

Safe and responsible development will grow Virginia's economy, **create up to 25,000 jobs**, and with smart legislation could **generate almost \$2 billion** in revenue for the state in the next 20 years.¹

65% of Virginians agree² – safe and responsible offshore oil and natural gas development works for Virginia.
