RE: Addendum 1 to API Specification 20C

Please be advised that Addendum 1 to **API Specification 20C**, *Closed Die Forgings for Use in the Petroleum and Natural Gas Industry*, First Edition, October 2009, has been published.

- The Date of Issue of this addendum is **July 2014**
- The Effective Date of this addendum is **July 2014**

Please note that this document requires your review and attention. Your facility should ensure that all addendums are incorporated into your quality management system and that affected personnel are trained on any new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed as soon as possible. These actions will be reviewed at your next scheduled audit.

You may find this, and any other errata and addendum that may be applicable to your license(s), on our website at <http://www.api.org/Standards/addenda/add-ep.cfm>.

We thank you for your continued interest and support.
