RE: 3rd Addendum to API Spec 6D

Please be advised that the **3rd Addendum to API Spec 6D**, *Specification for Pipeline Valves*, 23rd Edition, has been published and should be kept with your copies of API Spec 6D.

- The Date of Issue of this addendum is **October 2012**
- The Effective Date of this addendum is **April 1, 2013**

You may find this, and any other addendum or errata that may be applicable to your license(s), on our website at <http://www.api.org/Standards/addenda/add-ep.cfm>.

We thank you for your continued interest and support.
