RE: Addendum 1 to API Specification 6D

Please be advised that **Addendum 1 to API Specification 6D**, *Specification for Pipeline and Piping Valves*, Twenty-fourth Edition, August 2014, has been published and should be kept with your copies of API Spec 6D.

- The Date of Issue of this addendum is **March 2015**
- The Effective Date of this errata is **August 1, 2015**

Please note that this document requires your review and attention. Your facility should ensure that all addenda are incorporated into your quality management system and that affected personnel are trained on the new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed as soon as possible. These actions will be reviewed at your next scheduled audit.

You may find this, and any other errata and addenda that may be applicable to your license(s) or application(s), on our website at:

<http://www.api.org/Standards/addenda/add-ep.cfm> .

We thank you for your continued interest and support.
