RE: API Spec 5DP Licensing Information Form update notification

Please be advised that **API Spec 5DP Licensing Information Form** has been updated.

The updates to the API Spec 5DP Licensing Information Form include:

- Grades V, SS75, SS95, and SS105 have been added to product Drill Pipe Body
- Drill Pipe (Assembly) product has been removed

Drill Pipe (Assembly) product will be withdrawn from existing API Spec 5DP licenses on July 1, 2021 and will not be eligible for Monogramming from that date forward.

Facilities whose scope of Licensing is limited to Drill Pipe (Assembly) may transition to a registration under API Spec Q1, 9th Edition with a scope of Manufacture of Drill Pipe Assemblies. Applications must be submitted through the myCerts portal.

The updated API Spec 5DP Licensing Information Form can be found on the API website at:
