RE: API Spec 9A, 27th Edition

Please be advised that the **27th Edition of API Spec 9A,** *Specification for Wire Rope,* has been published.

- **The date of issue of this edition is August 1, 2020**
- **The Monogram Program Effective date of this Edition is February 1, 2021**

Your facility should ensure that new editions to the specification are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities. This should be completed prior to the specification's effective date and subsequent audit.

The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the API Monogram Web Store.

A copy of this notification can be found on the API website at: API Monogram/APIQR: Program & Spec Updates.

For any questions regarding this notification, please contact us at certification@api.org.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry.

Sincerely,

Sharon Bowie
Manager, Monogram/APIQR
