RE: API Spec 650 12th Edition Addendum 3

Please be advised that **Addendum 3 for the 12th Edition of API Standard 650**, *Welded Tanks for Oil Storage*, has been published.

This document requires your review and attention. Facilities should ensure that all revisions are incorporated into the quality management system and that affected personnel are trained on any new requirements and are competent to perform required activities.

An authorized copy of the 12th Edition of API Standard 650, *Welded Tanks for Oil Storage*, which includes Addendum 3, can be purchased from the API Monogram Web Store. The licensed or applicant organization is required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure.

Thank you for your continued dedication and support in maintaining the highest quality and product standards throughout the oil and gas industry. A copy of this notification can be found on the API website at Program Specs & Updates.

Together, we can Power Past Impossible!

Sincerely,

Sharon Bowie
Manager of Operations, Monogram/APIQR
