FROM: API Monogram Program

RE: API Specification 11E, 20th Edition

Please be advised that the **20th Edition of API Specification 11E, Specification for Pumping Units**, has been published.

- The API Monogram Program effective date is April 1, 2023

Please note that this document requires your immediate review and attention. Your facility should ensure that all editions are incorporated into your quality management system and that affected personnel are trained on any new requirements and are competent to perform the required activities by the new edition's effective date.

Licensed and applicant organizations are required to maintain at least one copy of the most current edition of the English language version of the API Product Specification(s) under which it is licensed or seeking licensure. Current API publications may be purchased in the [API Publications Store](#).

This notification and other product updates, as well as errata and addenda for Monogram Standards, are available at [Monogram/APIQR Program & Spec Updates](#).

For any questions or concerns related to this notification, please contact us at api.org/ContactMonogram.

Thank you for your continued participation in the API Monogram Program and your dedication to quality.

Sincerely,

Kevin Ferrick
Senior Director, API Monogram/APIQR
