RE: **API Spec 7F**  
Specification for Oil Field Chain and Sprockets, Eighth Edition

Dear Colleague,

It is our pleasure to announce that API Spec 7F, 8<sup>th</sup> Edition has been published.

Please note that this document will require your review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained in the new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed prior to the specification's effective date and your next scheduled audit.

The publication date for this document was November 2010 with an effective implementation date of May 1, 2011.

If you should have technical questions regarding the contents of this specification, please send all inquiries to [standards@api.org](mailto:standards@api.org).

For inquiries about your API Monogram License(s) or API Monogram requirements, please contact [certification@api.org](mailto:certification@api.org).
