RE: **Specification for Oil and Gas Separators**
API Specification 12J Eighth Edition, October 2008
Effective Date: April 1, 2009

Dear Colleague,

It is our pleasure to announce that API Specification 12J, *Specification for Oil and Gas Separators*, Eighth Edition, was issued in October, 2008. No technical or products requirements were made except for Marking – which was revised to bring the specification into compliance with API Monogram Program requirements.

The new oversight committee (Committee on Refining Equipment) for this document will be reviewing it for consideration of any technical revisions in the future. If you are interested in working with the committee during the review process; or if you have any suggested technical revisions, please contact Mr. Steve Crimaudo at crimaudos@api.org or by phone at 202-682-8151.

Please note the publication date for this document is October 2008 with an effective implementation date of **April 1, 2009**.
