RE: **Specification API 5LD Specification for CRA Clad or Lined Steel Pipe, Third Edition**

Dear Colleague,

It is our pleasure to announce that API 5LD, *Specification for CRA Clad or Lined Steel Pipe*, Third Edition, has been issued March 2009. This Document is not presently a co-branded ISO Standard.

In addition to updating 5LD to align with the 44th edition of Spec 5L, there are new tests and requirements in the 3rd edition. These include toughness and hardness tests, as well as additional informative and normative annexes

The publication date for this document is March 2009 with an effective implementation date of **September 1, 2009**.
