RE: **API Spec 7K**
Specification for Drilling and Well Servicing Equipment, Fifth Edition

Dear Colleague,

It is our pleasure to announce that API Spec 7K, 5th Edition has been published.

Please note that this document will require your review and attention. Your facility should ensure that all revisions are incorporated into your quality management system and that affected personnel are trained in the new requirements. Additionally, please evaluate the effectiveness of all training provided and ensure all personnel are competent to perform the required activities. This should be completed prior to the specification's effective date and your next scheduled audit.

The publication date for this document was June 2010 with an effective implementation date of December 1, 2010.

If you should have technical questions regarding the contents of this specification, please send all inquiries to standards@api.org.

For inquiries about your API Monogram License(s) or API Monogram requirements, please contact certification@api.org.
