RE: **Specification for Pumping Units, Eighteenth Edition**
               Effective Date:

Dear Colleague,

It is our pleasure to announce that API Specification 11E, *Specification for Pumping Units,* Eighteenth Edition, was issued in November, 2008.

The work group under the direction of the API Field Operating Equipment Subcommittee (SC11) reviewed all the equations and values and some were updated, but no major changes were made.

If you are interested in working with the committee during the review process; or if you have any suggested technical revisions, please contact

Please note the publication date for this document is October 2008 with an effective implementation date of **May 1, 2009.**
