

AMERICAN PETROLEUM INSTITUTE

API Standard 20D

Nondestructive Examination Services for Equipment Used in the Petroleum and Natural Gas Industry

FIRST EDITION | SEPTEMBER 2013 | 21 PAGES | \$85.00 | PRODUCT NO. G20D01

This standard specifies requirements for the design, development, and qualification of nondestructive examination (NDE) methods used in the manufacturer of equipment for the petroleum and natural gas industries.

This is applicable to suppliers providing NDE services for equipment used in the oil and natural gas industries. The requirements of this standard apply to magnetic particle, liquid penetrant, radiographic, and ultrasonic methods of NDE.
