RE: Discontinuance of OHSAS 18001 Program Reminder

In October 2019, API notified its OHSAS 18001:2007 Registered clients that all OHSAS 18001 registrations will be withdrawn due to the publication of a new Standard. This is a reminder that withdrawal of these registrations will occur on Friday March 12, 2021.

Additionally, API will not charge 2021 annual fees for OHSAS 18001 registrations.

Please contact us at www.api.org/ContactMonogram if you have questions or need further information.

Sincerely,

Kevin Ferrick
Director, API Monogram Program /APIQR
