Remote Exams 2020 - Oct 31, 2024

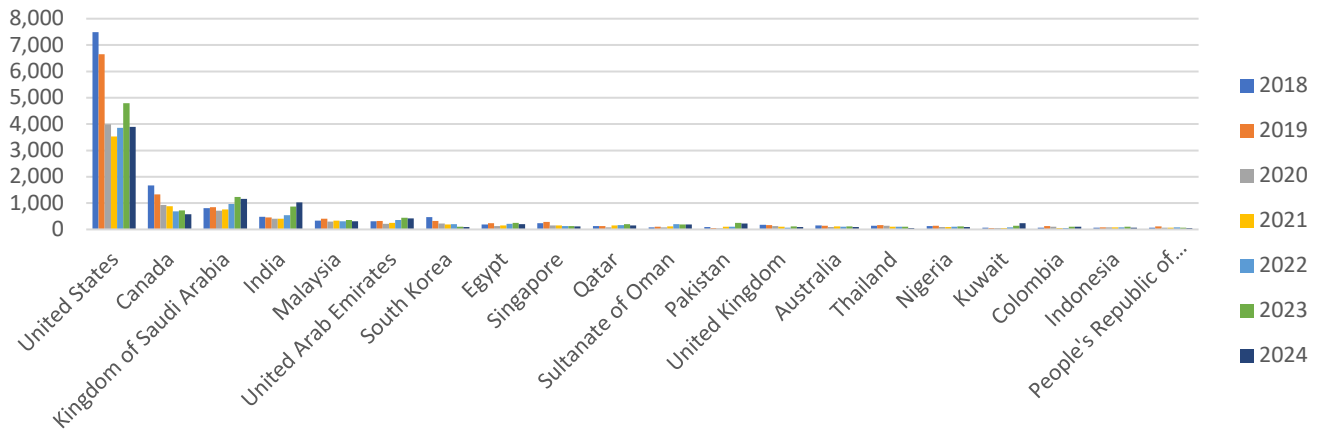

Remote exams piloted with the specialized CBT exams in November 2020 and expanded to cover all programs in February 2021
 Note: ICP suspended remote exams for the API 510, 570, 653, 1169 and 1184 starting with the September 2024 exam windows.

The remote exams have seen increased interest overtime. While it is not expected that this modality will overtake the in-person centers, we have administered over 7,700 remote exams since 2020. In 2023 we administered over 1,900 remote exams. For 2024, as of October we have 1,824 remote exams scheduled for the year. Going forward remote exams will be available for the specialized and smaller exams.
